DVC Bridge Program Homestay Payment Information

1. Housing costs (for two months) are included in the package cost of the 2010 DVC Bridge Program. Students do NOT need to pay their host family any rent for their initial two months in the homestay.
2. The two month rental period begins on the day the student moves in to the homestay. (For example: If a student moves in on June 7, their rental period will be covered from June 7 – August 6).
3. Students are welcome to continue living in their homestay beyond completion of the DVC Bridge Program. If the student chooses to continue living in the homestay after the initial two month period ends, he/she will be responsible for paying rent directly to the host family each month. Rent will be due immediately following the end of the initial two-month period. Rent is \$750 per month. Details are provided below for more information.
4. All students must pay their host family a \$300 refundable security deposit upon moving in to the homestay. Please read the Host Family Housing Policy for more information.

Host Family and Location Disclaimer (IMPORTANT: Please read all information below.)

Students who are placed in a homestay are responsible for directly paying their host family \$750.00 per month. The cost of living with a host family includes housing, two meals per day (breakfast and dinner) Monday - Friday (host provides three meals per day on weekends), and all utilities, except for telephone/internet use. **Students are responsible for buying their own lunch, Monday – Friday.** Students are not guaranteed placement with any specific type of family (race, marital status, families with children, etc.), as all of the families in our program have been pre-screened and have met the qualifications of being a host family. Your placement will be based upon a number of different criteria including the families' availability at the time you arrive, the type of student they are looking to house, and the information you have completed in your housing application. Students are expected to live in their homestay for at least a minimum of 2 months.

We make no guarantee to students that they will be placed within walking distance to the school, as public transportation is readily available in all the surrounding cities, and most students rely on some form of public transportation to get to and from school. We have many terrific families in the area, all within a 12-mile radius. If you decide that you must live within walking distance, then we can provide you with information about apartments that are available in the area.

We do guarantee that you will be placed with a family that wants to be a host family to an international student, and can provide you with good exposure to the American way of life. **All students placed with host families must agree to the terms of the Host Family Housing Policy. A copy of the Host Family Housing Policy must be signed and returned with the Homestay Application. Your placement with a host family will be secured when all required items have been received.** You will be sent information about your host family immediately after a placement has been confirmed.
